PAYMENT METHODS

Gisborne Secondary College prefers that all payments and parental consent be completed on XUNO. This means you're not sending your child to school with cash or credit card details and you can have peace of mind knowing they won't forget to hand in their permission forms before the due date.

Curriculum contributions will be loaded onto XUNO into four equal payments for your convenience, so you can choose to pay per term or all at once.

Other payment methods include BPAY, direct EFT transfer or credit card. Please see more information about these payment methods below.

REFUNDS

Parents requests for refunds are subject to the discretion of the school and made on a case-by-case basis. Refunds will be provided when the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy and any other relevant information.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the standard curriculum requirements in Victorian Curriculum F-10, VCE and VCAL.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

• Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
